

More about **Melissa Driver Beard, MPA**  
ReedScott Affiliate Consultant

Melissa's career includes working in the areas of global advocacy, communications, international and national level policy development, program design and management, and training design and facilitation.

Her expertise in both nonprofit and for-profit organizational growth, strategic development, fundraising, donor management, grant writing and reporting allows her to work with diverse clients. Supporting NGOs in over a dozen developing countries included collaborating with in-country leaders, organizations, and governmental agencies representing a variety of cultures.

Before pursuing her Masters in Public Administration, Melissa received a BA in Economics and International Studies from UNC-Chapel Hill, NC.
